Reception Transition Booklet

Welcome to Rockmount Primary School

WELCOME

Dear Children,

Welcome to Reception at Rockmount Primary School.

This book is for you and your family to look at as you get ready to join our school.

It tells you all about the different people and things you will see and do when you come to our school.

We hope you enjoy looking through it, and we look forward to meeting you.

Kind regards,

The Reception Team

Your teaching team…

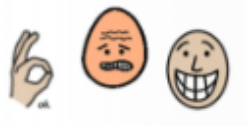
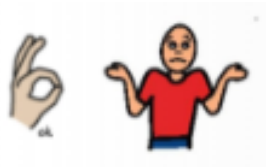
How do you feel about starting school?

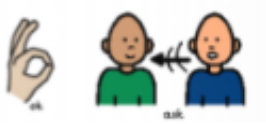
It is ok to feel nervous or excited. Everyone feels this way when they are starting something new.



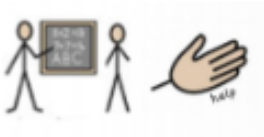
It is ok to not know what to do.



It is ok to ask questions.



Your teacher and teaching assistant will help you.



Our Environment

This is where we hang our coats. We put our wellington boots under our peg just in case it rains. Our pegs have our names on them.

We each have a special tray that has our names on it and a box to keep our book bags in.

This is where we go to the toilet. There are two toilets. One in each classroom.

In Reception, we have lots of fun areas to explore, such as the 'Small World Area' where we play with small figures and puppets and act out stories.

Our classrooms have lots of different learning areas for fun activities. We call this 'Free Flow' time.

We have a big outdoor space with a sand and water area and soft grass for obstacle games.

This is where we go to eat our lunch. There are lots of adults in the hall to help us. We always talk through the menu together before we go into the hall for lunch. There are lots of choices.

We are very excited to welcome you into Reception and hope you are looking forward to starting our school. See you soon!
