

# Rockmount Parent/Carer Forum

## What is the Parent/Carer Forum?

The parent/carers forum is a partnership between parents/carers and the school. The Forum is a means to share ideas, discuss ways in which we can improve our school and extend opportunities for our children.

## What are the aims of the Forum?

To work in partnership with the school to create a welcoming environment which is inclusive for all parents/carers

To act as a consultative body for the school in relation to the development of school policy and practice

To share information, new ideas, knowledge and skills

To consider opportunities which support the welfare and high quality education of all pupils

## How to get in touch?

Each class has a parent/carers forum representative. They can be reached through the class specific rep email address. Please contact the office if you need help contacting the class representative.

Forum meetings are held each half term. Any agenda points need to be sent to the class rep for discussion.

Minutes from each meeting will be put up on the website and a summary of what was discussed will be emailed out to the school community a couple of weeks after the meeting.

## Protocol

The Forum is a constructive tool to help enrich school life. It is not the appropriate avenue to raise specific areas of concern relating to individual children.

These issues should be addressed through the child's class teacher or Learning and Teaching Leaders.
