

Community Club – Sunday May 10th
10.00-12.00

As the first weekend of the month is a bank holiday, the next Community Club session will be held on **Sunday 10th May.**

We really do need as much help as possible to develop the garden areas. The rabbit run has been removed and we need to weed and prepare this area for a delivery of bark chippings and new benches.

We will also be repainting the picnic benches, weeding and planting up the summer beds.

Refreshments will be available – sausages cooked on the fire pit in rolls (vegan and vegetarian options available too) as well as the usual favourite, chocolate smores!

Let's hope for a sunny morning...
