Wednesday 31<sup>st</sup> January 2024

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day. We will be taking part on **Friday 9<sup>th</sup> February 2024**.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On the day, we will:

- Learn about the amazing work the NSPCC does
- Take part in Buddy's Key Challenge in our classes
- Work together to solve exciting maths puzzles and challenges
- Take part in the 'Times Tables Rockstars' battles within classes
- Take part in **Dress up for Digits**

### **Dress up for Digits**

We are asking that pupils wear an item of clothing with a number on it, or get even more creative by dressing in a maths or number theme. To help raise money, we ask that you donate £1 on the day if you are able to. Some children will be in the playground at the beginning and end of the day to collect your donations.

*Note: Reception will be dressing up as superheroes on this day. Year 4 children will also not be required to come to school in a costume for 'Dress up for Digits' as they will be on a school trip in the morning.*

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you,

Janie Marshall  
Maths Co-ordinator
