Dear Parents and Carers,

We are very pleased to be sending home a copy of the annual Governors' Review today for every family. This is a wonderful publication which really captures the achievements and enjoyment of the past year in school and we hope you enjoy sharing this with your family and friends.

Dorothy Bentil has been our School Business Manager for the past five years and has been a key figure in the successful development of the school over this time. She is moving on at the end of this term to a new post in Richmond and Wandsworth Council and we wish her every success for her new venture, although we will miss her here at Rockmount! We have been very fortunate to employ a new School Business Manager, Jennie Gilbertson, who will join us in January. Dorothy has helped many families and some of you may wish to drop her a line or pop in to see her before she leaves us next Thursday.

Our festive performances are now all finished for this year and it has been lovely to see so many families taking the opportunity to enjoy the singing, acting and musical skills of our children. Next Wednesday is Christmas Party and Christmas Jumper/Sparkle Day when we will ask for donations for Save the Children – please see the separate letter which was sent out yesterday with more information about this.

Thank you to all the families who have signed up for the Community Club arts and crafts session on Sunday morning. Wrap up warm - we are looking forward to seeing you and are hoping for dry weather!

Kind regards,

Helen Carvall
