Dear Parents/Carers,

In the past, some parents have enquired as to how they can make additional contributions to school trips and some other items, to alleviate the pressure on the school's finances. This has also been brought to our attention via the Parent Forum meetings.

As a result, you will have noticed that ParentPay items are being set up slightly differently. This will enable those parents who would like to do so, to pay an additional amount. Recent letters to parents/carers about forthcoming events and trips have included an advisory sentence, giving you this option. As parents/carers you will have the flexibility to pay the minimum amount or an additional contribution, at your discretion for individual items.

School finances are under increasing pressure and we are very fortunate that staff are able to offer the children a wide variety of events and trips. However, this can only continue with your support.

If you have any questions, please do not hesitate to contact the school office.

We would like to thank you for your understanding and continued support.

Kind regards,

Helen Carvall
