

Rockmount Community Club – Sunday 11th May 10.00-12.00

The first Sunday of the month idea isn't working out very well for our Sunday Community Club as we have the Easter break and then a Bank Holiday weekend to enjoy! So, we have decided to try **Sunday May 11th** as **our next session.**

We would like to get as much help as possible to develop a new composting area inside the Edible Garden area. We will send out more information after the Easter break but wanted to let families know to save the date!

All welcome – pop along and join us at anytime between 10.00 and 12.00.

Activities will include:

- Clearing and weeding
- Planting the beds and boxes as well as the picnic benches if the weather holds
- Painting the tyres around the chicken coop
- Improving the paths by spreading the bark
- Checking the pondlife
- Cooking over the fire pit
