

Wellbeing & Safeguarding Newsletter

Rockmount Primary School Spring 2025

Welcome back to another exciting and eventful term! This edition of our termly Wellbeing & Safeguarding newsletter has also been emailed to you, so you can easily access any links and refer back to it whenever needed.

Staff Easter Egg Hunt

In the run up to Easter, staff took part in a weekly Easter Egg Hunt. They solved clues and raced to find the secret location of the chocolate eggs.

Mental Health Awareness Week!

This year, Rockmount Primary School marked Mental Health Awareness Week by focusing on the theme of 'Community'. We celebrated the strength and support that comes from being part of a caring, connected community, both within the school and beyond. Throughout the week, pupils engaged in activities that highlighted the importance of looking out for one another, building strong friendships, and supporting each other through difficult times. From group discussions to collaborative art projects, children learned how working together and being there for others can positively impact their mental well-being.

Croydon Drop In

Dear Parent/Carer,

Our school/educational setting is part of Operation Encompass which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school/educational setting we have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right. On 24 May 2024 Royal Assent was granted to The Victims and Prisoners Act. The Act placed Operation Encompass into Law. This places a statutory obligation on police forces to share Operation Encompass notifications with schools/educational settings.

We are keen to offer the best support possible to all our pupils and through Operation Encompass we will be able to provide the best possible support to our children.

If you have any concerns or questions about Operation Encompass or your child's wellbeing, please do not hesitate to get in touch with us. We are here not only to support our pupils, but also to offer guidance and support to parents and carers.

Kind regards,
Safeguarding Team

We are an Operation Encompass School
