Dear Parents and Carers,

We were very pleased to welcome the inspection team from Ofsted last week after ten years! It has been a long wait, particularly over the past couple of years. I would like to thank parents and carers for their support last week; the inspection team were very impressed at the depth of the community spirit and the high level of parent/carer engagement. Staff managed the inspection in their usual highly skilled and professional manner and the children were all as wonderful as they always are. The result of the inspection remains confidential until the official report is published but we are hopeful that this will be available before the end of term.

The week ahead is forecast to be very warm and sunny. Please make sure that your child has a sunhat or cap and that you apply sun cream to your child before they come to school. Gazebos will also be placed in the playground to provide some additional shade for the break times across the school day.

The RFC are planning for the Summer Fair which is rapidly approaching on Saturday July 12th. Please do volunteer your time to help out for an hour on the day. We are looking forward to the event which always has such a community based feel-good factor.

As usual the last few weeks of term tend to be very busy so we have attached a summary of events which we hope may be helpful. Please do remember to check the calendar on the school website which is updated each week.
