

## Personal, Social & Emotional Development

This half term nursery will be learning how to share and take turns. We will also talk about our feelings and understand how others might be feeling.

## Communication & Language

The children will be learning lots of familiar nursery rhymes such as 'A Sailor Went to Sea'. We will complete follow-up speaking and listening activities to support language development in small groups.

## Physical Development

We will be focusing on developing the children's fine motor skills, using one handed tools and equipment safely and with accuracy.

## Nursery – Spring 1 Passport Around the World

Silver Class will be focusing on transport and travelling around London on our role-play '450 bus', with Paddington Bear. We will then travel around the world on different forms of transport, using the world map to guide us.

We are developing speaking and listening skills, enriching vocabulary and encouraging effective communication. We aim to foster a love of books and an interest in sharing stories. In particular, we will focus on a range of transport related books, including, 'The Boat Race' by Jane Hissey and 'Oi! Get off our Train', by John Burningham.

The children will learn to count accurately and to order and recognise numerals. They will also learn about size, shape and pattern.

We will investigate and experiment with a wide range of materials and resources and learn to describe and discuss what we see and discover. We will also explore colour and texture and will build and construct models in our creative workshop area.

## Wider Curriculum

### Outdoor learning:

Planting bulbs and seeds in the Nursery Garden

### Health and Wellbeing:

5 A Day dance and Yoga

### Enrichment:

Exploring the changes spring brings in our school grounds

## Maths

The children will experiment with their own symbols and marks as well as numerals, and compare quantities using the language, 'more than' and 'fewer than'.

Please do not hesitate to contact us if you have any queries about your child's progress. The year group email is
